Which universities run Meteorology related courses?

- University of Birmingham
- University of East Anglia
- University of Edinburgh
- University of Exeter
- Imperial College, London
- University of Lancaster
- University of Leeds
- University of Liverpool
- University of Manchester
- The Open University
- University of Oxford
- Plymouth University
- University of Reading

Courses which have been accepted as fulfilling the requirements for core content under the Society's Chartered Meteorologist Accreditation Scheme have been highlighted.
**BIRMINGHAM**

**Department:** School of Geography, Earth and Environmental Sciences  
http://www.birmingham.ac.uk/schools/gees/index.aspx

1. **MSc Applied Meteorology and Climatology**  
http://www.birmingham.ac.uk/students/courses/postgraduate/taught/gees/applied-met-climatology.aspx

2. **BSc Environmental Science**
