Pledges

Emissions Reduction

Our pledge

		Grow emissions as in the last 20 years	Grow emissions half as fast as in last 20 years	Freeze today's emission levels	Reduce emissions compared to today by 25%	Reduce emissions compared to today by 50%	Reduce emissions compared to today by 75%
Draft	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Final	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Contribution to Green Climate Fund

Our contribution

		Nothing	Symbolic (0.1%)	Low (0.1%)	Medium (0.5%)	Large (0.7%)	Very large (1%)	(% of GDP)
Draft	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Final	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	

Need for support from the Green Climate Fund

Our position

		Yes	No
Draft	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Final	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Notes for negotiations

Template for two minute summary talk

Fellow delegates, Ladies and Gentlemen,

As the representatives of [country] we thank you for this opportunity to speak to you about our country's position on climate change.

[Country] is a beautiful/ diverse/ ancient/ exciting/ prosperous... country (pick appropriate words or add you own)

Summary of pledge (from negotiations card)

We pledge to

- Grow emissions as in the last 20 years/ Grow emissions at half the rate of the last 20 years/ Freeze emissions at today's levels/ Reduce emissions compared to today by 25%/ 50%/ 75%/ 100%
- Contribute nothing/ a symbolic/ low/ medium/ large or very large amount to the Green Climate Fund
- We do/ don't need financial support from the Green Climate Fund to help us adapt to climate change and reduce our greenhouse gas emissions

Climate change will have a negative impacts on my country through – heat waves/ sea level rise/ floods/ droughts/ forest fires/ ocean acidification/ coral reef loss/ retreating glaciers

We need to continue emitting greenhouse gases/ we can reduce our greenhouse gas emissions because:

-
-

We can support other countries/ we need financial help from other countries because:

-
-

Thank you for your attention.

Pledges

Emissions Reduction

Our pledge

		Grow emissions as in the last 20 years	Grow emissions half as fast as in last 20 years	Freeze today's emission levels	Reduce emissions compared to today by 25%	Reduce emissions compared to today by 50%	Reduce emissions compared to today by 75%
Draft	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Final	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Contribution to Green Climate Fund

Our contribution

		Nothing	Symbolic (0.1%)	Low (0.1%)	Medium (0.5%)	Large (0.7%)	Very large (1%)	(% of GDP)
Draft	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Final	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	

Need for support from the Green Climate Fund

Our position

		Yes	No
Draft	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Final	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Notes for negotiations

Template for two minute summary talk

Fellow delegates, Ladies and Gentlemen,

As the representatives of [country] we thank you for this opportunity to speak to you about our country's position on climate change.

[Country] is a beautiful/ diverse/ ancient/ exciting/ prosperous... country (pick appropriate words or add your own)

Summary of pledge (from negotiations card)

We pledge to

- Grow emissions as in the last 20 years/ Grow emissions at half the rate of the last 20 years/ Freeze emissions at today's levels/ Reduce emissions compared to today by 25%/ 50%/ 75%/ 100%
- Contribute nothing/ a symbolic/ low/ medium/ large or very large amount to the Green Climate Fund
- We do/ don't need financial support from the Green Climate Fund to help us adapt to climate change and reduce our greenhouse gas emissions

Climate change will have a negative impacts on my country through – heat waves/ sea level rise/ floods/ droughts/ forest fires/ ocean acidification/ coral reef loss/ retreating glaciers

We need to continue emitting greenhouse gases/ we can reduce our greenhouse gas emissions because:

-
-

We can support other countries/ we need financial help from other countries because:

-
-

Thank you for your attention.

Notes for negotiations

Template for two minute summary talk

Fellow delegates, Ladies and Gentlemen,

As the representatives of [country] we thank you for this opportunity to speak to you about our country's position on climate change.

[Country] is a beautiful/ diverse/ ancient/ exciting/ prosperous... country (pick appropriate words or add you own)

Summary of pledge (from negotiations card)

We pledge to

- Grow emissions as in the last 20 years/ Grow emissions at half the rate of the last 20 years/ Freeze emissions at today's levels/ Reduce emissions compared to today by 25%/ 50%/ 75%/ 100%
- Contribute nothing/ a symbolic/ low/ medium/ large or very large amount to the Green Climate Fund
- We do/ don't need financial support from the Green Climate Fund to help us adapt to climate change and reduce our greenhouse gas emissions

Climate change will have a negative impacts on my country through – heat waves/ sea level rise/ floods/ droughts/ forest fires/ ocean acidification/ coral reef loss/ retreating glaciers

We need to continue emitting greenhouse gases/ we can reduce our greenhouse gas emissions because:

-
-

We can support other countries/ we need financial help from other countries because:

-
-

Thank you for your attention.

Notes for negotiations

Template for two minute summary talk

Fellow delegates, Ladies and Gentlemen,

As the representatives of [country] we thank you for this opportunity to speak to you about our country's position on climate change.

[Country] is a beautiful/ diverse/ ancient/ exciting/ prosperous... country (pick appropriate words or add your own)

Summary of pledge (from negotiations card)

We pledge to

- Grow emissions as in the last 20 years/ Grow emissions at half the rate of the last 20 years/ Freeze emissions at today's levels/ Reduce emissions compared to today by 25%/ 50%/ 75%/ 100%
- Contribute nothing/ a symbolic/ low/ medium/ large or very large amount to the Green Climate Fund
- We do/ don't need financial support from the Green Climate Fund to help us adapt to climate change and reduce our greenhouse gas emissions

Climate change will have a negative impacts on my country through – heat waves/ sea level rise/ floods/ droughts/ forest fires/ ocean acidification/ coral reef loss/ retreating glaciers

We need to continue emitting greenhouse gases/ we can reduce our greenhouse gas emissions because:

-
-

We can support other countries/ we need financial help from other countries because:

-
-

Thank you for your attention.
